## APRICOT GROWERS. OPA WILL MEET TO SET FAIR PRICES FOR LOCAL CROP

CENTERVILLE — Congressman Albert E. Carter told the Eden-Washington Farm Center at a meeting this week that he would attempt to have a meeting of local apricot growers with officials of the OPA and the War Food Administration regarding the price for 1944 apricots.

He expressed the opinion that a price that would be fair in some districts would not be fair here, where farmers have to compete with industrial wages.

Congressman Carter said he had no comment to make on the employment of children under 14 in harvesting, since he was not sure

of the application of child labor laws. He said, however, that he would investigate the possibilities of employing children, and would aid growers in every possible way. His remarks followed reports by Farm Bureau officials about the shortage of labor, poor feed prospects, and the proposed \$85 price on apricots. Franklin Brown, chairman of the local center, presided at the meeting.

## HAY GROWERS WILL DISCUSS WAGES

Hay growers, hay press operators and workers from Alameda County will attend a meeting scheduled for Monday, May 22, at 2 p.m. at the Farm Bureau Hall in Stockton.

This meeting is being held to discuss a tentative wage ceiling order prepared by the California WFA Wage Board. The order provides maximum rates to be paid workers in baling of alfalfa and grain hay.

Representatives of the California WFA Wage Board will conduct the meeting. This will provide an opportunity to discuss and review tentative conclusions reached by the wage board as a result of the hearing at Sacramento on May 10. The Sacramento meeting ended in a unanimous request for a wage ceiling covering hay baling operations.

After the Stockton meeting, final recommendations will be made to the War Food Administration in Washington.

## S. F. FARMERS' MARKET PLAN RECOMMENDED

SAN FRANCISCO—A plan for municipal operation of the local Farmers' Market has been recommended to the Board of Supervisors.

Under the proposal, the market would be operated on much the same basis as in the past, except that it would be under the official supervision of a market master with an assistant to keep the place in order. Expenses would be defrayed by small fees charged grower-users of the market.

New listings include tea, dehydrated and canned soups, gelatin and pudding mix, cookies and crackers, and cocoa, chocolate and cereal drink preparations.

Approximately 600 different items, listed according to brand and size, have been given specific ceiling prices per pound or package on the market basket price list. These include baby foods, bread, butter, cereals, cheese, coffee, dried fruits, evaporated milk, fish, salad oil, shortening, sugar and syrups. In addition the following canned fruits and vegetables are covered: corn, grapefruit juice, green beans, peaches, peas, pears, pineapple, tomatoes and tomato juice.

## SCHOOL CHILDREN ATTEND OAKLAND SHRINE CIRCUS

"If noise means anything, they had a wonderful time."

That was the comment of F. D. Bristow, principal of the Niles Grammar School, when he described the trip, with 60 seventh and eighth graders, to the Shrine Circus in Oakland on Tuesday. It was Children's Day, a day set aside for children outside the incorporated areas in the county.

Mr. Bristow was assisted in shepherding the lively juniors to the Oakland Auditorium by Miss Celeste Bunker and two parents, Mrs. Butler and Mrs. Nickas. They left Niles Tuesday morning on the 7:56 bus and arrived in time for the opening at 9:30. After three hours of fun and hilarity the kids left for home, saying they had had a "swell time."

## NILES CHURCH DEDICATES SERVICE MEN'S HONOR ROLL

A large crowd turned out last Sunday, Mothers Day, to witness the dedication at the Niles Congregational Church, of the Honor Roll which bears the names of 61 members of the church now serving in the armed forces.

Rev. D. Q. Grabill conducted the very impressive service and Capt. Cary Adams, chaplain at the Naval Supply Depot in Oakland, was guest speaker. He stressed the roles mothers play in our lives.

Fred H. Duffie, president of the Men's Fellowship Club, presented the handsome Honor Roll with an appropriate talk. Walter Waynflete, as president of the Board of Trustees, accepted the plaque in the name of the church.

The roll was made possible through the generosity of the Men's Fellowship Club and as mothers are mostly concerned in this matter it was felt that the roll should be dedicated on Mothers Day and hung in place on the wall opposite the pulpit.

During the ceremony, SC3/c Alvin Rose, son of Mr. and Mrs. George Rose of Niles, was welcomed into membership of the church by the pastor. His mother stood up with him during the rites, after which a solo was sung by Mrs. Nellie Gordon of Hayward. The choir also sang several beautiful selections.

The service closed with the singing of the Battle Hymn of the Republic by the congregation. Those in service, whose names appear on the Honor Roll, would have been touched had they been there to note that there were several eyes that weren't so dry at the end of the stirring addresses and singing.

## So You Can't Buy Another Bond

Take a good look at this American soldier as he lies in the mud of Rendova Island in the Southwest Pacific, victim of a Jap air raid. It is not a pleasant scene, is it? When you are asked to buy an extra War Bond to Back the Attack think of this picture of your fellow American blooded by the concussion of a Jap bomb thousands of miles from home. Then brother, don't you think you will want to dig a little deeper to back up his comrades?

BENEFIT TEA HELPS  
CENTERVILLE ORGAN FUND

Held to increase the organ fund that was started on Easter, the tea was given at the home of Mrs. C. G. Perkins on Alvarado Road. Her home was attractively decorated with bowls of roses. Open-faced sandwiches and tea and coffee were enjoyed by the 50 people who attended, and everyone pronounced it a great success. Almost \$50 was added to the growing organ fund.

## PRIMARY WAS 'CHEAP'

California's primary election was the "cheapest election," from the standpoint of campaign contributions, this state has held in more than 20 years. Many candidates simply died on the vine for lack of funds to keep their names before the public.

The horse and buggy days are gone but it still takes horse sense to drive an auto safely, avers Gordon H. Garland, Director of Motor Vehicles.

Only 100 tons of explosives were dropped by American planes on enemy lines in the 47 days of the Meuse-Argonne battle in World War I.

NO PLATINUM WEDDING  
RINGS FOR 1944 BRIDES

Mrs. America-to-be will not wear a platinum wedding ring. The WPB says platinum cannot be allocated for jewelry this year because military and essential civilian uses of this war material are too heavy.

TEXAS SCREWBALLS  
ON BALLOT WITH  
'EASY MONEY' PLAN

Down in the heart of Texas there's a "new money" scheme which puts California's Ham and Eggs "funny money" plan to shame. The Texas plan, called "Freedom and Plenty," demands that government issue money (apparently to everyone) "with insured circulation, regulated for stability of value, to buy all we can produce and to produce all we want to buy."

## LODGE HOLDS PARTY

CENTERVILLE — Forty-five members of Orient Chapter, O.E.S., attended a recent May party which followed a pot-luck supper at the Masonic Hall last week. Sadie Hodges was chairman of arrangements.

Americans express gun calibers in hundredths of an inch, English express them in thousandths, and Europeans, in millimeters.

IF THE SHOE  
DOESN'T FIT...

Mrs. America should double check the fit before she wears new shoes. If a shoe becomes uncomfortable after it has been worn, no ration stamp can be returned to the consumer nor can a special shoe stamp be issued.

*Julia says:*  
Let's enjoy fresh  
spring vegetables

**NOW THAT** fresh vegetables are coming on the market in good quantity again, it's a good time to explore some of the possibilities of using them in fresh and lively ways.

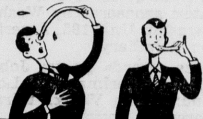

First, though, here are some general suggestions that are worthy of a second glance:

Rinse freshly-bought vegetables in cold water (don't soak them); wrap in damp cloth or replace in paper bag or put in vegetable compartment; and store in refrigerator.

If they must be peeled, don't peel them till the last minute.

Cook them quickly in the least possible amount of water (exceptions are spinach and strong-flavored vegetables like cabbage, which are best cooked in plenty of water, uncovered).

To hold the bright color in red cabbage and beets, add ½ tsp. vinegar or lemon juice for each cup of shredded vegetable, to the boiling water.

IT'S ALL right to eat stubby, firm asparagus right from your fingers! But if it's long and droopy, better use a fork and cut it on the plate!

**CALICO VEGETABLE HASH**  
Combine 1 cup each of diced cooked turnips, carrots, beets and potatoes; moisten with 4 tbsps. meat stock or water enriched with a beef cube. Melt 3 tbsps. shortening in hot frying pan; spread the vegetables evenly over the pan's surface and cover. Reduce heat and cook slowly 15 to 20 minutes or until brown crust is formed. Loosen hash from pan, fold in half, turn out on hot platter and serve. Serves 6.

**SPINACH PANCAKES**  
Drain and chop 2 cups cooked spinach very fine and add 1 cup dry bread crumbs, 1 tsp. salt, ¼ tsp. pepper and 4 eggs slightly beaten. Drop by tablespoonfuls into a hot greased frying pan and fry until brown, turning once. Serve with highly seasoned tomato sauce. Serves 6.

**STRING BEANS**, with strings removed, will taste better if you slit down the middle or at an angle, before cooking them!

**ASPARAGUS SHORTCAKE**  
Bake corn bread with diced crisp bacon added to the batter. Cut into 3-inch squares, split, and toast. Arrange asparagus stalks between layers of shortcake. Serve with cheese sauce garnished with finely sieved hard-cooked egg yolks.

Speaking of vegetables, don't forget that this week's issue of *The Family Circle Magazine* has the second in my series of up-to-the-minute articles on home canning. This one discusses strawberries, asparagus and rhubarb. Get your free copy at Safeway!

## OUR NEW SUPERVISOR

Some Township voters were surprised, and others not so surprised when the Tuesday's votes were tallied to learn that Chester E. Stanley of Livermore had defeated George P. Hellwig, incumbent, for the post of supervisor of the First District. In fact, the contender polled nearly a one-third majority.

The complete count for Washington, Murray and Livermore Townships gave Hellwig 2,321 tallies and Stanley 3,662 votes, or a majority for the latter of 1,341 votes, which constituted a decisive lead.

Here's congratulations to George for a job well done, and best wishes to our new supervisor, who, alas, will continue to draw \$350 a month of county pay, since the voters of Alameda County decisively turned down the proposed increase to \$500 per month. The vote for the raise in salary was: yes, 35,418, and a thundering NO of 81,057 against the raise.

"Social Salvation will not be attained by turning over local responsibility and self-direction to a vast impersonal machine in Washington."—James Mussatti, general manager, State Chamber of Commerce.

## 'CRUSE'ING TO VICTORY

In the Old Testament there are only a few accounts of actual miracles being performed by the Lord between the time of Moses, Aaron and Joshua (who were contemporaries), and the time of Jesus.

These miracles occurred during the lives of Gideon, Elijah and Elisha. One particular miracle had to do with a widow living at Zarephath (1 Kings 17:10). She had only "a handful of meal in a barrel, and a little oil in a cruse." She was going to bake a last cake from the meal for herself and her son, then both eat it, and die.

But Elijah, the great man of God, commanded the woman to "make me thereof a little cake first, and bring it to me, and after make for thee and thy son."

For the Lord had commanded Elijah to say what he said, and the woman courageously obeyed his commandment.

In return for her obedience and faith "... the barrel of meal wasted not, neither did the cruse of oil fail..." because the Lord himself kept them filled for her. And it was a wonderful miracle.

The United Nations today are engaged in a different kind of a "cruse"-ade: a showdown battle between the forces of good and the forces of evil, and we know Truth and Right, which are attributes of the Lord, are on our side.

How do we know? Just take the initial letters of the four great countries banded together as the United Nations, and read their initials downward, as follows:

China  
Russia  
United  
States  
England

Eliminate China from our acrostic and what remains? Only a RUSE. But we can't eliminate China: it is one of the oldest nations on earth—and China was the first country invaded by the tyrants. Nor are we three other United Nations engaged in a "ruse."

So we the people of the four United Nations fervently pray that our "cruse" will (f)oil the enemy and NOT FAIL!—W. W.

## MISSION SAN JOSE

### FIRE AT RECENT HOME DAMAGES ROOF AND WALLS

The Mission San Jose fire department was called out Sunday noon to extinguish a fire of unknown origin at the home of Mrs. Rose Recend on Bryant Street. The family was eating dinner and neighbors saw smoke and flames coming from the roof. Wiring could not have caused the fire, and the wood stove had not been used for some time, so the origin is a mystery. Some damage was done to the walls by water. The roof was severely damaged.

Miss Loraine Rogers, who is a nurse's aid in the San Jose hospital, spent one day last week at the home of her mother, Mrs. Rose Rogers, in the Mission.

Mr. and Mrs. Bill Birdwell of Puyallup, Wash., spent the day with Mrs. Lois Justus. They are aunt and uncle of Harley Justus, now of Sacramento.

Mr. and Mrs. Frank Silva of Sunol spent Saturday evening at the home of Mrs. Silva's mother, Mrs. Sara Boggini. The family went to San Jose on Sunday to visit other relatives.

Elmo "Cappy" Cunha entertained a number of friends at his home on Tuesday with a weiner roast and marshmallow feed.

"Smilie" Ferrenti of Niles, who has been in the Aleutian and Alaskan area with the Army, visited Monday evening with Mrs. Myrtle Buck and her mother, Mrs. Hannah Rose. He is indeed happy to be back among school chums and friends.

Sgt. Charles Thatcher of Fort Ord spent the week-end with his wife, Hazel. He expects to be sent out there any time now.

Mr. and Mrs. Vic Silveria and daughter of Centerville were dinner guests at the home of Mr. and Mrs. Daniel Cross and family on Sunday.

Mr. and Mrs. Over, P. G. & E. employees, have moved on to a new job but their daughter, Louise, is staying at the Rose Telles home until graduation in June. She will then return to her home.

Mrs. Beulah Banta, mother of Mrs. Frank Castro, who underwent a very serious eye operation some time ago at the San Jose hospital, is home again and is feeling much better.

Mr. and Mrs. George Rodriguez entertained the Clarence Silvas at a dinner party last week. Both Rodriguez and Silva have been inducted into the armed forces.

## Thinking Things Over...

By VIVIAN BATMAN

### WHAT ARE WE?

"What this paper needs," says the editor (who is also publisher, printer, and advertising manager), "is a personal column."

"Fine. Write one," I say.

"You write it," he says.

So we toss a coin, and I lose. Or, come to think of it, maybe the reader loses.

Anyhow, I am writing a column. "What do we call ourselves," I ask the editor, "now that we are here in Niles?"

"Batman. Remember," he says. "I don't mean that," I say. "I mean, when we lived in Palo Alto we were Palo Altans. When we lived in Carmel we were Carmelites. What are we here?"

"Nilesites, maybe," says the editor. "That sounds like a pair of stockings," I say, and right away I get moist eyelashes thinking about those dear departed days.

But let's get back to Niles. Can our readers help us? Are we Nilians, Nilesans, or Nilesites?

At this point let me insert that if you don't like this column, have you tried the classifieds? Sometimes you can see some very interesting things there.

### WHAT ABOUT IT?

Things I would like to know about Niles: Where do you put the tin cans? I have denuded them of their labels, tromped on them, and now it's either a case of finding somebody who collects them for tin salvage, or having to eat out.

### FINAL RITES HELD FOR FRANK J. SOITO

CENTERVILLE—Frank J. Soito, 59, rancher and resident here for 47 years, was given final rites yesterday at the Berge Mortuary with mass at the Holy Ghost Church and interment at the Holy Sepulchre Cemetery.

He was the husband of Margaret Dolores and the father of Mrs. Henry Dias and Manuel P. Soito. He was a native of the Azores and a member of the U.P.E.C. No. 67 of Warm Springs.

because the cans have piled up all over the kitchen and there is not much room left to cook in.

There is one thing about moving to a new town. You can always look forward to hearing a lot of new scandal. Hearing the same old scandal over and over again gets monotonous. By the way, Niles does have its scandal, doesn't it?

### MOVING WITH A SMILE

And speaking of moving, it has always been my opinion that the men who do your moving for you can make your entry into a town either pleasant or distinctly unpleasant. Our experience, unfortunately, happened to be the latter. The men who moved us were a couple of sour-pusses. (Let me hasten to say that they are not known hereabouts). Yes, we know it is hard work moving pianos, and refrigerators, and stoves around all day, and maybe "service with a smile" is too much to expect these days. But these men made us feel that we had an awful nerve asking them to move us. And us paying \$6 an hour for it!

This is the way it went: Me: "Would you mind being a little more careful with that barrel? There are dishes in there."

Mover, sourly: "Lady, if they break, they break."

Me: "And that piano. You're taking all the varnish off it!"

Mover: "Look, lady. Do you want this piano moved, or don't you?"

Me, very faintly: "I'd like it moved, yes. But in one piece, if you don't mind. And if you must walk over the bedding, would you mind scraping the mud off your shoes first?"

He minded, which I thought he would.

But you can see what I mean when I say a mover can either make or break you.

In case we have to move from Niles, which we hope won't happen for a long, long time, will somebody please give us the name of a nice friendly mover, with maybe a grin on his face?

### REBEKAH NEWS

The next regular meeting of Nicon Theta Rho Girls Club No. 48, I.O.O.F., will be held at Odd Fellows Hall, Niles, on Thursday evening, May 25, according to Beverly Bennett, president. Plans for a summer vacation will be discussed, also for a large card party to be given in the early fall.

The girls attended the Niles Congregational Church on Mothers Day and the mothers whose sons and daughters are away in the service were presented with garland corsages.

Members of Niles Rebekah Lodge No. 336 will meet in regular session on Friday evening, May 19, according to Iva Marble, noble grand. After the business session a social hour will be held, with arrangements under direction of Mary Rose, assisted by Anna Bradford and Fern Mitte.

Mrs. Rose F. Stearns and Mrs. Iva Cull, delegates to the Rebekah Assembly of California, which convened in Sacramento the week of May 8, returned to Niles last Friday.

### OPA REMINDS CAR OWNERS OF SAFETY RULES

SAN FRANCISCO—Motorists who fail to display the proper windshield sticker may have to do some explaining to their local OPA boards, according to Leo F. Gentner, OPA regional director.

"The motorist who uses his gasoline ration for legitimate purposes generally has the right sticker showing," he stated. "Others who misuse their rations for extended trips or who attempt to obtain more gasoline than they need, try to cover up by not displaying a sticker or using a sticker to which they are not entitled."

Regulations governing the display of stickers specify that only one sticker should be displayed. If a "B" or "C" ration is issued, in addition to the basic "A" book, the "A" sticker should be removed and the "B" or "C" emblem installed. If the "B" or "C" ration expires or is revoked the sticker denoting this type of ration should be removed and a new "A" sticker obtained from the local OPA board.

A motorist may obtain gasoline on an "A" book although he displays a "B" or "C" sticker, because supplemental rations are issued in addition to the basic "A" ration and such motorists are entitled to the use of both types of ration book.

## ALL you can - at home!

From now and on through the bountiful fruit and berry season is a good time to practice the thrifty old Yankee custom of putting up food for the winter months. Can, all you can, at home. There will be ample sugar allotment for your jams and jellies and preserves. Some berries can be put up in natural juices without sugar. Or you can stretch your sugar allowance by the use of honey for sweetening.

If you plan to put up vegetables, remember the only safe canning method is with a pressure cooker. Do not use the boiling water bath methods for any vegetables, except tomatoes.

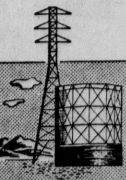

When you can, do it right. Buy fresh, firm fruits and berries. Cook them right, seal them tight!

Have your Pressure Cooker tested before the canning season. Ask about this wartime service at your local P.G. and E. office. No charge, no obligation.
